What are we currently learning in lessons?	
Ottoman Textiles Pattern designs	
Areas of Excellence	
Heart	Mind
<p>Students are accountable for creating work in the given time. This includes home learning tasks</p> <p>Students to create expressive ideas, analysing the work of others, themselves and their peers</p> <p>Students to show respect for the work of other artists and what they represent</p> <p>Students to work in teams with peers/ groups to analyse the work of others, partaking in Oracy/ Literacy tasks</p>	<p>Students to express their ideas and use on going knowledge and understanding to create individual pieces of art</p> <p>Students to create innovative, imaginative, accurate work with independence</p>
Areas of Development	
Heart	Mind
<p>Students to be equipped, in time, on time for all learning/ lesson</p> <p>Students to apply more accurate analytical drawing with wet and dry media</p> <p>Students in some cases to work in teams showing better effort</p>	<p>Students to improve organisational skills</p> <p>To try to refine and make own work more accurate</p> <p>Students to take more risks with own work</p> <p>Students in some cases to develop more relevant detail in own work</p>
How can you support your child at home?	
<p>Please check your child's planner regularly with any teacher comments, home learning tasks and due dates and finally what they have created. Does it match up with the description in their planner/ what the teacher has set ?</p> <p>Please support your child with any/ all IT / printing requirements where this is possible.</p>
